

CRANCHI 41 ENDURANCE

Cranchi 41 Endurance is constructed as solid as it looks and performs even better. This Express Cruiser is specifically designed to handle the most challenging seas.

She has some characteristics of bigger motor yachts, like garage for the tender, bathing platform, very attractive modern lines, cherry wood finishing and sporty performances.

The yacht is excellently equipped and is ideal choice for the guests who prefer visiting as many places as possible in short time, but also for the guests who prefer speed and amazing maritime performances.

The roomy **COCKPIT** lends itself to sheer comfort, security and is ideal for entertaining. With the large L shape lounge seats and aft sun pad, there is plenty of room to have several people enjoy a day on board or go for an extended cruise.

Wet bar with washbasin, tap and cooking grill

The foredeck houses comfortable sun cushions.

From the deck you enter to **SALON**, down the specifically designed stairway with courtesy lights. The inside living area consists of the salon in the bow, which houses U shaped white leather sofa and big cherry wood dining table, which easily converts into a forward sleeping berth, by folding the table down and putting the extra cushion. The light comes throughout side portholes and roof windows.

The **GALLEY** is on the left side of the salon, excellently equipped

Opposite the galley, there is a bar unit with big storage and LCD TV. The **private aft cabin**, which is separated by a cherry wood door, houses twin beds, which can be turned into one double by adding the extra cushion provided, mini sofa, wardrobe and a smaller storage which also can be used as beauty table.
